Hello Campers,

As you make your summer plans, I hope that you will register as campers at Camp Au Sable and choose to spend at least a week with us. Why, because staff here love Jesus and highly value you and your family. It is our desire that you experience the love of God while getting involved in the camp program that is being planned just for you!

To provide the best experience possible this summer, we have added 3 extra days to our staff orientation schedule to get ready for your arrival. Rest assured, as members of the American Camping Association, we put safety first by careful training using the highest standards available.

As a Seventh-day Adventist camp, we think also of the spiritual and emotional safety of each camper. We have a serious "no bulling policy." We believe that each person is created for a purpose and is loved personally by God Himself. We teach our campers that God demonstrated His love for them when He paid the price for their sins on Calvary's Cross. So as you look through this brochure and see all of the wonderful opportunities, we want you to know how very special you are to us! Hope to see you soon at beautiful Camp Au Sable!

Pastor Ken and Tammy Micheff
